As its only responsibility, and your only remedy, Goodman will furnish a replacement part, without charge for the part, to replace any part that is found to be defective due to workmanship or materials under normal use and maintenance. Goodman will furnish labor for any defective part replacement, and to repair any refrigerant leak when the leak is caused by a defect in workmanship or materials under normal use and maintenance, only when service is performed by an authorized Amana® brand servicer. To locate an authorized Amana® brand servicer, contact Goodman Consumer Affairs at the number or address located at the bottom of this certificate.

For warranty credit the defective part must be returned to an Amana® heating and air conditioning products distributor by an authorized Amana® brand servicer. Any part replaced, or leak repaired, pursuant to this warranty is warranted only for the unexpired portion of the warranty term applying to the original part.

These warranties are in lieu of all other express warranties.
